As a computer science fresher, I am a highly motivated individual with a passion for technology and a strong foundation in programming and software development. I am proficient in programming languages such as JavaScript, Python and have a strong understanding of data structures and algorithms. I am a quick learner and enjoy taking on new challenges, I am also able to work well both independently and as part of a team. I am excited to start my career in the field of computer science and am eager to contribute my skills and knowledge to a dynamic and innovative organization.

EXPERIENCE

21-7-2022 – 21-10-2022
